Your protection is our top priority

Your home is one of our most valuable possessions. We treat it as if it were ours, too. In fact, many of our customers are not home when we come to clean. We handle their key with the same trust in which it was given, keeping it safe and secure.

We are very careful with your belongings. Additionally, for your peace of mind, our teams are fully insured to protect you against accidental breakage.

The team you can trust.

Before ever wearing the Merry Maids name, potential applications are carefully screened and references checked. Then we select the qualified applicants who enjoy cleaning. We appreciate the trust you have in Merry Maids by allowing us to work in your home. We choose our employees with the same care you have taken in choosing your home cleaning service.

Your home isn't the only place you'll find a Merry Maids team dedicated to serving you. Our office handles all the employees and management details, so you don't have to.
